SENIOR ACTIVITIES PREVIEW NIGHT

Tonight's session is for parents and family members of the Class of 2027 to learn more about what to expect for senior year at Emerald in terms of **activities** and **senior-specific events**.

The presentation is a collaborative partnership between Emerald High's administration, ASB and PFSO.

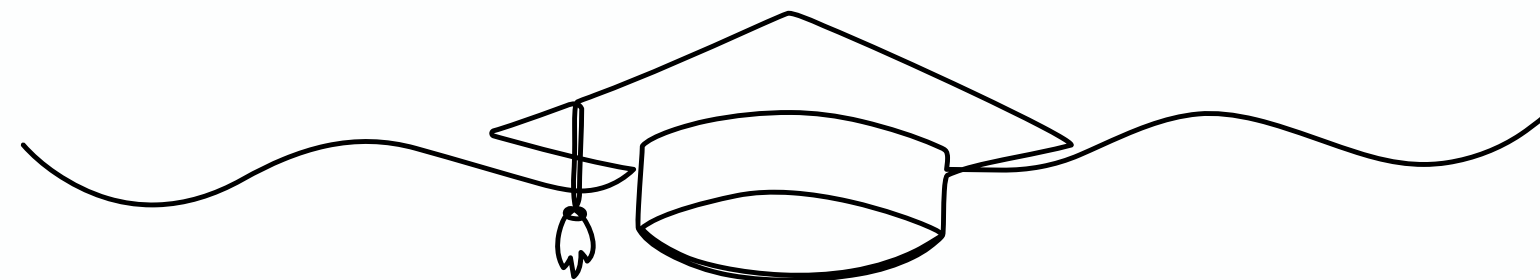

The goal for our time together is for families to have a better idea of what "the senior year experience" entails, including a timeline of events held throughout the year (*not just in May!*) and a look at anticipated expenses families might want to begin thinking about now.

A PREVIEW OF SENIOR YEAR

- 01 Class of 2027 Team
- 02 Anticipated Activities & Events
- 03 Fundraising
- 04 Parent Involvement
- 05 Questions

IF YOU HAVE A QUESTION...

As tonight is a *PREVIEW* night, all plans are not yet finalized. However, we will do our best to answer what we can tonight.

We will have a Q & A portion at the end of the presentation.

You are welcome to put your questions in the chat as the presentation moves along, and chat monitors will collect them to be brought forward at the end.

Or, if you pose a question in the chat that we know a simple answer to, it might get answered immediately in the chat.
